

## Trinity Newsletter – May 2019

Dear All

We hope you had a Happy Easter. The weather was kind to us wasn't it? It was lovely to be out in the sunshine and seeing blue skies. Let's hope the summer is as good. We have plenty of things planned for the summer term including a gardening week and a teddy bears' picnic.

As you know, at this time of year, it is important to protect the children from the sun. Please can you provide a sunhat for your child that can be kept at nursery. The children are not allowed out if they do not have one to wear. Also please note that it is your responsibility to apply sun cream to your child before they come to nursery. However, be assured that the children do not go out to play during the hottest part of the day. We go out early in the morning and aim to go back out again mid- afternoon: temperature permitting.

One of the ways to discourage the spread of nits is to tie back long hair into bunches or a pony tail. Please can you make sure your daughter's hair does not hang down. Thank-you.

This term we are going to talk about Eid. Are there any parents who would like to come in and tell us what happens at this festival? We would love to see you and maybe, with your help, devise some activities for the children to do.

Finally, In September the fees will be going up. If you have any queries, please see Rachel.

That is all for now

Rachel and staff.
