**5 Minute walk from
Sutton Town Centre**

Trinity Play Centre, previously known as Trinity Play Group, moved to Duke Street from Church House, Coleshill Street in 1974. Situated close to the town centre the old school building has lots of space where children can develop their natural skills, through play, at their own pace in a secure, friendly, family atmosphere.

A pilot lunchtime session between a long-standing morning and afternoon playgroup proved the need for day care. In 1976 the nursery was started for the summer term. We were registered as a Day Nursery, providing full day care, by 1978 and our aims were to provide quality childcare at an affordable price, in a secure and comfortable environment.

We continue to pursue these aims and offer encouragement and support to children aged from 3 months to 8 years, regardless of gender, ability, background, culture or belief, on their journey towards the learning goals of the early years curriculum.

Policies & Procedures

All our policies are available on site and can be found in the main reception. Parents are able to view these at anytime. Please ask the manager.

Equal Opportunities Policy

Trinity Play Centre believes that no child, individual or family should be excluded from the nursery's activities on the grounds of age, gender, sexuality, class, family status, means, disability, colour, ethnic origin, culture, religion or belief.

Special Educational Needs Policy

Trinity Play Centre has its own trained special education needs co-ordinator. Every child is assessed on a regular basis – these assessments would show if any individual child has any special educational needs within the six areas of development. Once found, extra observations would be carried out and appropriate advice would be sought to coincide with all that has been previously discussed with parents

Settling in Sessions

It's important for you to ensure that your child is settled in our nursery. We offer you the chance to attend the nursery for a few hours with you leaving for a short period and then returning. This helps to reduce any upset on the child and ensures they get to know the staff.

Development Records

We monitor your child's development daily and diaries are available for you to view when you wish but we do ask for twenty four hours notice. Each child is allocated a key worker who is available for you to talk too. We also hold regular parents evenings throughout the year.

Sleeping & Bedding

All children will be allowed to sleep as they require, we try to encourage the children to rest after lunch. All children will receive clean bedding on a daily basis.

Security

All staff are fully CRB checked and only people authorised to collect your child will be allowed to do so, unless prior permission is granted.

Government Funding

The term after your child's third birthday we can claim on your behalf up to fifteen hours per week funding. This currently stands at £57.60 per week (Term Time Only). This can be used as part payment towards your fees.

Child Care Vouchers

We accept all types of childcare vouchers as forms of payment. You can have up to £243 per month deducted from the gross part of your salary meaning that you pay no tax or N.I. This can reduce your child care costs by up to a third.
